Ohio Greelegites in Council.

CLEVELAND, June 25.—Many delegates to Thursday's Convention are already here. They are almost unanimous for the ratification of the Cincinnati nominations. It is believed a State ticket will be nominated, but the electoral ticket will be postponed until after the Baltimore Conven-

The Liberal Republican State Central Committee is here for consultation. Many prominent Liberals are present.

They will urge upon the Democratic Convention the postponement of the nomination of a State ticket till after the Baltimore Convention.

ATLANTA, GA,-The Georgia State Democratic Convention was as large and able a body as ever assembled in Georgia. The action was entirely harmonious. The the Lemocratic party of Georgia stand upon the principles of the Democratic parextraordinary condition of the country, the unchangeable doctrine that this union of States and the indestructibility of equality with each other is an indispensable part of our political system.

Resolved, That in the approaching elec-tion the Democratic earty invites every-body to co-operate with them in a zealous demonstration to change the present usurping and corrupt administration by placing in power men who are true to the principublic offices.

Resolved, That in our opinion the delethe welfare of the country.

The delegates from the State at large are Gen. H. L. Benning, Gen. A. R. Wright, of the Augusta Chronicle, Col. Tom. Hardeman, Col. Julian Hartridge, Gen. A. H. Colquitt, Col. C. T. Goode, Gen. J. B. TRENTON, N. J., June 26 .- The Democratic Convention met here to-day. Chas. Haight, a Greeleyite, was appointed temporary chairman.

TRENTON, N. J., June 26.—Gov. Randolph, on taking the chair in the Convention, said: "At this time, when our Democratic brethren in the other States seem to have become touched with the fever of political revolution, our action, ordinarily discreet, temperate and dispassionate, will be looked to with more than ordinary interest. In proportion as the other States have given hasty utterances of opinion and preferences, we should give sober and have higher motives than merely to beat the pistol in her pocket by the bystanders. Grant. These motives will be to beat a corrupt and despotic administration; a Chief Magistrate who has brought his worse military habits of thought and action to the administration of civil affairs. With Grantism broken, we know that no worst can come and believe that better can be had. That we shall obtain at Baltimore all we deem desirable does not now seem probable. Unless some unexpected reaction occurs, the action of the Convention is a foregone conclusion. Endorsed at Baltimore, I deem Greeley's election assured. Defeated there, his chances are unworthy of attention. It is well known that my judgment has been against the endorsement of the Cincinnati ticket."

The Governor proceeded to state the purpose of the recent Fifth Avenue conference, he claimed that this conference was not a fiasco, but a success, because it concentrated reliable information as to the weakness or strength of the Cincinnati ticket in nearly every State, and thus gave could be now named with political advantage. I think a more suitable nomination and a more acceptable candidate to the have been selected. I know that we shall be charged with placing our life-long opponent at the head of our column in the day of almost assured victory. This is true, but it is equally true that Greeley will only take the leadership of the party that elects him, after he has pronounced himself to be fully Democratic principles as hostility to centralization and opposition to Federal interference in State and local affairs; condemhabeas corpus; full support of amnesty; rigid adherence to civil service reform; opposition to bayonet election laws and the and inseparable. like. Now, if Greeley can accommodate conversion, even if it be a trifle sudden and unexpected.

In conclusion the Governor said, they had to contemplate the almost certain endorsement of Greeley at Baltimore, and what his political sentiments are. with it the assured defeat of Grantism, which would be a great victory of itself, because if Greeley had no lottier views, no

SECURED TO ALLI

RADWAY'S Sarsaparillian Resolvent,

Has made the most astonishing cures. So quick, so rapid are the changes the body undergoes under the influ-ence of this truly Wonderful

Medicine that EVERY DAY AN INCREASE IN FLESH AND WEIGHT IS SEEN AND FELT.

Scrofula, Consumption, Syphilis in its many forms, Glandular Disease, Ulcers in the Throat and Mouth; Tumors, Nodes in the Glands, and other parts of the system; Sore Eyes, Strumous Discharges from the Ears, Eruptive Diseases of the Eyes, Nose, Mouth, and the worst forms of Skin Diseases; Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers, in the Womb, and all weakening and painful discharges; Night Sweats, and all wastes of the Life Principle, are within the Curative rarge of Radway's Sarsaparillian Resolvent, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.

Not only does the Sarsaparillian Resolvent excel al-

Not only does the Sarsaparillian Resolvent excel al-known remedial agents in the cure of Chronic, Scrofu-lous, Constitutional, Skin und Syphiloid diseases, but it is the only positive remedy for

Kidney, Bladder, Urinary and Womb Diseases, Gravel, Diabetes, Dropsyl Incontinence of Urine, Bright's disease, Albuminuria, and in cases where there are Brick dust deposits, or ria, and in cases where there are Brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark, bilious appearance, and white Bone dust deposits, and where there is a pricking, burning sensat on, and pain in the small of the back and along the loins. In all these conditions, Radway's Sarparillian Resolvent, aided by the application of Radway's Ready Relief to the spine and small of the back, and the bowels regulated with one or two of Radway's Regulating Pills per day will, soon make a complete cure. In a few days the patient will be enabled to hold and discharge water naturally without pain, and the Urine will be restored to its natural clear and amber Urine will be restored to its natural clear and amber or sherry color.

THE WASTES OF THE BODY Are supplied with new, healthy and vigorous blood, that furnishes sound structure. Hence all suffering from weakening discharges, either male or female, or from Ulcers or Sores, through the reparative process of Rabwar's Sarsaparillian are arrested, and the ruptured organs healed.

THE TRUE THEORY OF CURE. RADWAY'S SAHSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat and structure, making constituents with Tissue-making, Flesh-making, Heat or Caloric and Fat-Making elements. All of its constituents are nourisbing, purifying and strengthening. It repairs, heals, resolves and drives out of the body the products of decay and corruption. Consumption, White Swelling, Dropsy, Syphilis, Cancer, Tumors, &c., are all of a scrofulous diathesis, and as such, are within the curative range of the Sarsaparillian Re-

That Scrofula, by whatever name designated, is the result of deposits from the blood induced or caused by chronic inflammation. That those deposits take place when the blood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood, as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury, or other agents, given in midicines, and which enters largely in the sommon advertised Sarsaparillas, not absorbed or changed from their natural condition. their natural condition. That unless the repairs or nutriments are greater

than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted. That the dying body cannot be sustained on any treatment of medication that exhausts the system or fails to nourish the blood, the only medium through which the vital forces are preserved, and on which the growth of the body depends.

OVARIAN TUMOR CURED. Never has a medicine taken internally been known to have cured tumors either of the womb, uteri, ova-ries, or bowels; the knife has been the sole reliance in the hands of experienced surgeons; but Dr. Radway's Sarsaparillian settles this question. For it has cured over twenty persons of Ovarian Cysts and Tumors, as well as Tumors in the bowels, uterus, womb, liver, Dropsical Effusion, Ascites, and Calculus Concretions.

Tumor of Twelve Years' Growth Cured by Radway's Resolvent.

Beverly, Mass., July 18, 1869.

Dr. Radway—I have had Ovarian Tumor in the ovaries and bowels. All the doctors said "there was no help for it." I tried everything that was recommended, but nothing helped me. I took six bottles of the Resolvent, one box of Radways Pills and used two bottles of your Ready Relief; and there is not a sign of a Tumor to be seen or felt, and I feel better, smarter and happier than I have for twen. Syears. The worst Tumor was in the left side of the years. The worst Tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others.
